as the eu enters an increasingly uncertain phase after the 2016 brexit referendum

euro-scepticism continues to become an increasingly embedded phenomenon within party systems non party groups and within the media yet academic literature has paid little attention to the emergence of and increased development of transnational and pan european networks of eu opposition as the gap between europe's mainstream political elites and an increasingly sceptical public has widened pan european spheres of opposition towards the eu have developed and evolved the volume sets out to explain how such an innately contradictory phenomenon as transnational euro-scepticism has emerged it draws on a variety of perspectives and case studies in a number of spheres the european parliament political parties the media civil society and public opinion examining to what extent the pan european dimension of euro-scepticism is becoming increasingly influential it argues that opposition to european integration has for too long been viewed somewhat narrowly through the paradigm of national party politics this text will be of key interest to scholars students and professionals in eu politics european studies political parties and more broadly to comparative politics and international relations

perfect for undergraduate nursing students postgraduate specialist nursing pathways advanced medical surgical nursing tafe bachelor of nursing program lewis's medical surgical nursing assessment and management of clinical problems 4th edition is the most comprehensive go to reference for essential information about all aspects of professional nursing care of patients using the nursing process as a framework for practice the fourth edition has been extensively revised to reflect the rapid changing nature of nursing practice and the increasing focus on key nursing care priorities building on the strengths of the third australian and new zealand edition and incorporating relevant global nursing research and practice from the prominent us title medical surgical nursing 9th edition lewis's medical surgical nursing 4th edition is an essential resource for students seeking to understand the role of the professional nurse in the contemporary health environment 49 expert contributors from australia and new zealand current research data and australian and new zealand statistics focus on evidence based practice review questions and clinical reasoning exercises evolve resources for instructor and student including quick quiz's test banks review questions image gallery and videos chapter on current national patient safety and clinical reasoning over 80 new and revised case studies chapter on rural and remote area nursing fully revised chapter on chronic illness and complex care chapter on patient safety and clinical reasoning greater emphasis on contemporary health issues such as obesity and emergency and disaster nursing australia and new zealand sociocultural focus

the growing body of films in and around africa and the seemingly incongruent growth in african film scholarship suggests the need for new perspectives approaches and insights into film cultures in africa although it is impossible to capture the entire diversity of existing

african film cultures this collection which has resulted from african film conferences organized by the university of westminster united kingdom has recognized the significance and urgency of this task the book offers a unique engagement with widened african film cultures in the context of diverse peoples histories geographies languages and changing film production cultures shaped by audiences and users at home and in the diaspora the volume is a significant contribution to the processes of representing the self and other as well as the emergence of alternative non official dialogues circulation and consumption including on social media students researchers film policy makers film producers distributors and anyone else with an interest in african screen media will find in the book useful and readable analyses of socio political factors that affect and are shaped by african film

the glass cliff is a conversation about what happens when women break the rules and break through the glass ceiling every current and aspiring leader needs to read this book helen tupper sarah ellis authors of the squiggly career and you coach you clever brilliantly researched and vitally important dawn o porter bestselling author of the cows and cat lady have you ever wondered why there are so few success stories of women in business leadership or maybe you ve wondered what life is really like on the other side of the glass ceiling the world of work is supposedly changing embracing diversity yet are the opportunities we re giving to women really equal to those of men drawing on almost twenty years of research from around the world the glass cliff phenomenon whereby women are often only hired in leadership roles when a business is already underperforming meaning their chances of success are limited before they ever even start in the role is well established but little known until now this is the story of the glass cliff a story of a structural inequality disguising itself as the personal failures of women when sophie williams gave her viral ted talk on the subject she was subsequently flooded with accounts of confident accomplished women who had taken what seemed like a dream leadership role only to quickly find themselves in a waking nightmare without the language to describe their experiences they had been left blaming themselves but learning about the glass cliff enabled them to reframe and reexamine what they d gone through once we understand the glass cliff once we can stand together and face it head first we can start to unravel so many other false narratives about women s leadership experiences that just don t make sense without it by understanding the phenomenon and by telling one another about it we can affect the conversation empower one another to overcome societal bias and ultimately change the world of work for women forever

the cutting edge contributions to this book analyse different facets of the european union eu closer integration among the member states policymaking within a normal political system

and the implications of european integration for its member states this book also considers whether the challenges currently confronting the eu the lingering eurozone debt crises the migrant refugee crisis the british decision to leave the eu and terrorist attacks in belgium france and germany mark an inflection point for the union and for the study of the eu for the first time less europe rather than closer integration has emerged as a serious option in response to crisis this possibility reignites questions of dis integration and calls into question the assumption of the eu as a normal political system this book was originally published as a special issue of the journal of european public policy
