many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork

excerpt from a new variorum edition of Shakespeare vol 5 king lear since these volumes containing separate plays are independent of each other it seems necessary that a statement of the plan on which they are edited should accompany each issue this statement however in the present instance shall be as concise as possible it is to be presumed that those who are interested in this edition are by this time tolerably familiar with its scope the attempt is here made to present on the same page with the text all the various readings of the different editions of king lear from the earliest quarto to the latest critical edition of

the play together with all the notes and comments thereon which the editor has thought worthy of preservation not only for the purpose of elucidating the text but at times as illustrations of the history of shakespearean criticism in the appendix will be found essays on the text the date of composition the source of the plot duration of the action insanity actors costume tate s version selections from english and german criticisms a list of the editions collated with the abbreviations used to denote them the bibliography of the play and an index we have two sources for the text of lear the quartos and the folios both from independent manuscripts although we may not have in the folio the very text absolute in its numbers as shakespeare conceived it yet with all its defects it is much better than that of the quarto which is evidently one of those stolne and surreptitious copies denounced by heminge and condell about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

new shakespeare long since out of print is now reissued each work contains a lengthy and lively introduction main text and substantial notes and glossary

reprint of the original first published in 1873 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost
